ASHFORD OFFICE

HOW TO FIND US

By public transport

From Ashford railway station, it is approximately a two minute walk to the office.

Leave the station by the main exit and cross the access road, where you can find buses and taxis. Enter the road with the blue offset rails and International House is the large multi-storey building on the left.

By car

There are limited car parking spaces available for visitors, but there is a Pay & Display car park in Dover Place car park.

From junction 9 on the M20, follow the signs into Ashford town centre. Take the ring road (A292) around the town towards the railway station. Follow signs for Dover Place or Stour Centre parking which is accessed via Station Road. The office is at the end of Dover Place.

With prior notification, cycle racks can be made available.
