Listing consultants in this way should not be taken as any sort of endorsement or recommendation, but is intended to help you locate a suitable company or individual. This list does not claim to be comprehensive or exclusive; there may be other consultants in the area who are able to undertake such work.

Before selecting a consultant you may wish to ask about their previous experience, see some examples of their recent work and ensure that previous clients were satisfied with the standard of work and value for money provided. Costs can vary widely between consultancies, so you may wish to seek more than one quotation.
